Re: Application under Section 40 of the Gas Act as amended for Consent to Operate an Upstream Gas Pipeline

Notice to Prescribed Bodies under the above Act

Dear Manager,

Shell E&P Ireland Limited (on behalf of Shell E&P Ireland Limited, Statoil Exploration (Ireland) Limited and Vermilion Energy Ireland Limited) has made an application to the Minister for Communications, Energy and Natural Resources (DCENR) under Section 40 of the Gas Act 1976, as amended, for consent to operate a natural gas pipeline from the Corrib Gas Field subsea facilities to the gas terminal as Bellanaboy Bridge, Bellagelly South, County Mayo.

In accordance with the requirements of Section 40A of the above Act as inserted by the European Communities (Environmental Impact Assessment) Regulations 1989 - 2001, and as directed by the Department of Communications, Energy and Natural Resources, please find enclosed on 3 digital discs the following:

1. Cover Letter for the Application (Including Appendices A and B).

2. Natura Impact Screening Statement (Screening for Appropriate Assessment).

3. Environmental Impact Statement

Pursuant to Section 40 of the Gas Act 1976, (as amended), we enclose an Environmental Impact Statement which consists of the following:-

(i) Corrib Field Development Offshore (Field to Terminal) EIS (RSK Environment Ltd) comprising: -
   (a) Offshore Field to Terminal EIS and Appendices, 2001 (reprinted 2008) and
   (b) Offshore Supplementary Update Report and Appendices (Rev 03), 2010 and

(ii) 2010 Corrib Onshore Pipeline EIS (RPS Group) comprising:-
   (a) Volume 1 of 3: Corrib Onshore Pipeline Non-technical Summary and EIS,
   (b) Volume 2 of 3: Corrib Onshore Pipeline EIS Appendices, and
   (c) Volume 3 of 3: Sraihmore Peat Deposition Site.

Also included was a Natura Impact Statement as a stand alone document which was also contained in Appendix P of this EIS.

(iii) Additional Information submitted to the Minister for Communications, Energy and Natural Resources (DCENR) comprising:-
   (a) Non-Technical Summary,
(b) Additional Information to the May 2010 Onshore Pipeline (Volume 1) (which included an Errata and Addendum to the EIS),
(c) Geotechnical Data package (Sruwaddacon Bay Ground Investigation Data) 2010 (Vol. 1, 2 and 3), and
(d) Engineering Integrity Material.

(iv) Cumulative Impact Update Report (July 2015) (Forming part of this EIS).

Submissions or observations may be made in relation to the effects on the environment of the operation of the pipeline or if the operation of the pipeline, individually or in combination with other plans or projects is likely to have a significant effect on any European site, to the Minister during the period commencing on the 25th of August 2015 and ending at close of business on the 25th September 2015. Submissions should be addressed to the Department of Communications, Energy and Natural Resources, 29-31 Adelaide Road, Dublin 2.

The application can also be viewed at www.corribgaspipeline.ie

Yours Sincerely,

Re: Application under Section 40 of the Gas Act as amended for Consent to Operate an Upstream Gas Pipeline

Notice to Prescribed Bodies under the above Act

Dear Minister Alan Kelly,

Shell E&P Ireland Limited (on behalf of Shell E&P Ireland Limited, Statoil Exploration (Ireland) Limited and Vermilion Energy Ireland Limited) has made an application to the Minister for Communications, Energy and Natural Resources (DCE NR) under Section 40 of the Gas Act 1976, as amended, for consent to operate a natural gas pipeline from the Corrib Gas Field subsea facilities to the gas terminal as Bellanaboy Bridge, Bellagelly South, County Mayo.

In accordance with the requirements of Section 40A of the above Act as inserted by the European Communities (Environmental Impact Assessment) Regulations 1989 – 2001, and as directed by the Department of Communications, Energy and Natural Resources, please find enclosed on 3 digital discs the following:

1. Cover Letter for the Application (Including Appendices A and B).

2. Natura Impact Screening Statement (Screening for Appropriate Assessment).

3. Environmental Impact Statement

Pursuant to Section 40 of the Gas Act 1976, (as amended), we enclose an Environmental Impact Statement which consists of the following:-

(i) Corrib Field Development Offshore (Field to Terminal) EIS (RSK Environment Ltd) comprising:-
   (a) Offshore Field to Terminal EIS and Appendices, 2001 (reprinted 2008) and
   (b) Offshore Supplementary Update Report and Appendices (Rev 03), 2010 and

(ii) 2010 Corrib Onshore Pipeline EIS (RPS Group) comprising:-
   (a) Volume 1 of 3: Corrib Onshore Pipeline Non-technical Summary and EIS,
   (b) Volume 2 of 3: Corrib Onshore Pipeline EIS Appendices, and
   (c) Volume 3 of 3: Srahmore Peat Deposition Site.
   Also included was a Natura Impact Statement as a stand alone document which was also contained in Appendix P of this EIS.

(iii) Additional Information submitted to the Minister for Communications, Energy and Natural Resources (DCENR) comprising:-
   (a) Non-Technical Summary,
(b) Additional Information to the May 2010 Onshore Pipeline (Volume 1) (which included an Errata and Addendum to the EIS),
(c) Geotechnical Data package (Sruwaddacon Bay Ground Investigation Data) 2010 (Vol. 1, 2 and 3), and
(d) Engineering Integrity Material.

(iv) Cumulative Impact Update Report (July 2015) (Forming part of this EIS).

Submissions or observations may be made in relation to the effects on the environment of the operation of the pipeline or if the operation of the pipeline, individually or in combination with other plans or projects is likely to have a significant effect on any European site, to the Minister during the period commencing on the 25th of August 2015 and ending at close of business on the 25th September 2015. Submissions should be addressed to the Department of Communications, Energy and Natural Resources, 29-31 Adelaide Road, Dublin 2.

3. **Environmental Impact Statement**

Pursuant to Section 40 of the Gas Act 1976, (as amended), we enclose an Environmental Impact Statement which consists of the following:-

(i) Corrib Field Development Offshore (Field to Terminal) EIS (RSK Environment Ltd) comprising:-
   (a) Offshore Field to Terminal EIS and Appendices, 2001 (reprinted 2008) and
   (b) Offshore Supplementary Update Report and Appendices (Rev 03), 2010 and

(ii) 2010 Corrib Onshore Pipeline EIS (RPS Group) comprising:-
   (a) Volume 1 of 3: Corrib Onshore Pipeline Non-technical Summary and EIS,
   (b) Volume 2 of 3: Corrib Onshore Pipeline EIS Appendices, and
   (c) Volume 3 of 3: Srahmore Peat Deposition Site.
   Also included was a Natura Impact Statement as a stand alone document which was also contained in Appendix P of this EIS.

(iii) Additional Information submitted to the Minister for Communications, Energy and Natural Resources (DCENR) comprising:-
   (a) Non-Technical Summary,
   (b) Additional Information to the May 2010 Onshore Pipeline (Volume 1) (which included an Errata and Addendum to the EIS),
Submissions or observations may be made in relation to the effects on the environment of the operation of the pipeline or if the operation of the pipeline, individually or in combination with other plans or projects is likely to have a significant effect on any European site, to the Minister during the period commencing on the 25th of August 2015 and ending at close of business on the 25th September 2015. Submissions should be addressed to the Department of Communications, Energy and Natural Resources, 29-31 Adelaide Road, Dublin 2.

The application can also be viewed at www.corribgaspipeline.ie

Yours Sincerely,

Dear Chief Executive Officer,

Shell E&P Ireland Limited (on behalf of Shell E& P Ireland Limited, Statoil Exploration (Ireland) Limited and Vermilion Energy Ireland Limited) has made an application to the Minister for Communications, Energy and Natural Resources (DCENR) under Section 40 of the Gas Act 1976, as amended, for consent to operate a natural gas pipeline from the Corrib Gas Field subsea facilities to the gas terminal as Bellanaboy Bridge, Bellagelly South, County Mayo.

In accordance with the requirements of Section 40A of the above Act as inserted by the European Communities (Environmental Impact Assessment) Regulations 1989 – 2001, and as directed by the Department of Communications, Energy and Natural Resources, please find enclosed on 3 digital discs the following:

1. **Cover Letter for the Application (Including Appendices A and B).**

2. **Natura Impact Screening Statement (Screening for Appropriate Assessment).**

3. **Environmental Impact Statement**

Pursuant to Section 40 of the Gas Act 1976, (as amended), we enclose an Environmental Impact Statement which consists of the following:-

(i) **Corrib Field Development Offshore (Field to Terminal) EIS (RSK Environment Ltd)** comprising:-
   (a) Offshore Field to Terminal EIS and Appendices, 2001 (reprinted 2008) and
   (b) Offshore Supplementary Update Report and Appendices (Rev 03), 2010 and

(ii) **2010 Corrib Onshore Pipeline EIS (RPS Group)** comprising:-
   (a) Volume 1 of 3: Corrib Onshore Pipeline Non-technical Summary and EIS,
   (b) Volume 2 of 3: Corrib Onshore Pipeline EIS Appendices, and
   (c) Volume 3 of 3: Srahmore Peat Deposition Site.
   Also included was a Natura Impact Statement as a stand alone document which was also contained in Appendix P of this EIS.

(iii) **Additional Information submitted to the Minister for Communications, Energy and Natural Resources (DCENR)** comprising:-
   (a) Non-Technical Summary,
   (b) Additional Information to the May 2010 Onshore Pipeline (Volume 1) (which included an Errata and Addendum to the EIS),
(c) Geotechnical Data package (Sruwaddacon Bay Ground Investigation Data) 2010 (Vol. 1, 2 and 3), and
(d) Engineering Integrity Material.

(iv) Cumulative Impact Update Report (July 2015) (Forming part of this EIS).

Submissions or observations may be made in relation to the effects on the environment of the operation of the pipeline or if the operation of the pipeline, individually or in combination with other plans or projects is likely to have a significant effect on any European site, to the Minister during the period commencing on the 25th of August 2015 and ending at close of business on the 25th September 2015. Submissions should be addressed to the Department of Communications, Energy and Natural Resources, 29-31 Adelaide Road, Dublin 2.

The application can also be viewed at [www.corribgaspipeline.ie](http://www.corribgaspipeline.ie)

Yours Sincerely,

Re: Application under Section 40 of the Gas Act as amended for Consent to Operate an Upstream Gas Pipeline

Notice to Prescribed Bodies under the above Act

Dear Chairperson,

Shell E&P Ireland Limited (on behalf of Shell E&P Ireland Limited, Statoil Exploration (Ireland) Limited and Vermilion Energy Ireland Limited) has made an application to the Minister for Communications, Energy and Natural Resources (DCENR) under Section 40 of the Gas Act 1976, as amended, for consent to operate a natural gas pipeline from the Corrib Gas Field subsea facilities to the gas terminal as Bellanaboy Bridge, Bellagelly South, County Mayo.

In accordance with the requirements of Section 40A of the above Act as inserted by the European Communities (Environmental Impact Assessment) Regulations 1989 – 2001, and as directed by the Department of Communications, Energy and Natural Resources, please find enclosed on 3 digital discs the following:

1. **Cover Letter for the Application (Including Appendices A and B).**

2. **Natura Impact Screening Statement (Screening for Appropriate Assessment).**

3. **Environmental Impact Statement**

Pursuant to Section 40 of the Gas Act 1976, (as amended), we enclose an Environmental Impact Statement which consists of the following:-

(i) **Corrib Field Development Offshore (Field to Terminal) EIS (RSK Environment Ltd) comprising:-**
(a) Offshore Field to Terminal EIS and Appendices, 2001 (reprinted 2008) and
(b) Offshore Supplementary Update Report and Appendices (Rev 03), 2010 and

(ii) **2010 Corrib Onshore Pipeline EIS (RPS Group) comprising:-**
(a) Volume 1 of 3: Corrib Onshore Pipeline Non-technical Summary and EIS,
(b) Volume 2 of 3: Corrib Onshore Pipeline EIS Appendices, and
(c) Volume 3 of 3: Srahmore Peat Deposition Site.
Also included was a Natura Impact Statement as a stand alone document which was also contained in Appendix P of this EIS.

(iii) **Additional Information submitted to the Minister for Communications, Energy and Natural Resources (DCENR) comprising:-**
(a) Non-Technical Summary,
(b) Additional Information to the May 2010 Onshore Pipeline (Volume 1) (which included an Errata and Addendum to the EIS),
(c) Geotechnical Data package (Sruwadacon Bay Ground Investigation Data) 2010 (Vol. 1, 2 and 3), and
(d) Engineering Integrity Material.

(iv) Cumulative Impact Update Report (July 2015) (Forming part of this EIS).

Submissions or observations may be made in relation to the effects on the environment of the operation of the pipeline or if the operation of the pipeline, individually or in combination with other plans or projects is likely to have a significant effect on any European site, to the Minister during the period commencing on the 25th of August 2015 and ending at close of business on the 25th September 2015. Submissions should be addressed to the Department of Communications, Energy and Natural Resources, 29-31 Adelaide Road, Dublin 2.

Re: Application under Section 40 of the Gas Act as amended for Consent to Operate an Upstream Gas Pipeline

Notice to Prescribed Bodies under the above Act

Dear Chief Executive Officer,

Shell E&P Ireland Limited (on behalf of Shell E&P Ireland Limited, Statoil Exploration (Ireland) Limited and Vermilion Energy Ireland Limited) has made an application to the Minister for Communications, Energy and Natural Resources (DCENR) under Section 40 of the Gas Act 1976, as amended, for consent to operate a natural gas pipeline from the Corrib Gas Field subsea facilities to the gas terminal as Bellanaboy Bridge, Bellagelly South, County Mayo.

In accordance with the requirements of Section 40A of the above Act as inserted by the European Communities (Environmental Impact Assessment) Regulations 1989 – 2001, and as directed by the Department of Communications, Energy and Natural Resources, please find enclosed on 3 digital discs the following:

1. **Cover Letter for the Application (Including Appendices A and B).**

2. **Natura Impact Screening Statement (Screening for Appropriate Assessment).**

3. **Environmental Impact Statement**

Pursuant to Section 40 of the Gas Act 1976, (as amended), we enclose an Environmental Impact Statement which consists of the following:-

(i) **Corrib Field Development Offshore (Field to Terminal) EIS (RSK Environment Ltd)** comprising:-
   (a) Offshore Field to Terminal EIS and Appendices, 2001 (reprinted 2008) and
   (b) Offshore Supplementary Update Report and Appendices (Rev 03), 2010 and

(ii) **2010 Corrib Onshore Pipeline EIS (RPS Group)** comprising:-
    (a) Volume 1 of 3: Corrib Onshore Pipeline Non-technical Summary and EIS,
    (b) Volume 2 of 3: Corrib Onshore Pipeline EIS Appendices, and
    (c) Volume 3 of 3: Srahmore Peat Deposition Site.

Also included was a Natura Impact Statement as a stand alone document which was also contained in Appendix P of this EIS.

(iii) **Additional Information submitted to the Minister for Communications, Energy and Natural Resources (DCENR)** comprising:-
     (a) Non-Technical Summary,
     (b) Additional Information to the May 2010 Onshore Pipeline (Volume 1) (which included an Errata and Addendum to the EIS),
(c) Geotechnical Data package (Sruwaddacon Bay Ground Investigation Data) 2010 (Vol. 1, 2 and 3), and
(d) Engineering Integrity Material.

(iv) Cumulative Impact Update Report (July 2015) (Forming part of this EIS).

Submissions or observations may be made in relation to the effects on the environment of the operation of the pipeline or if the operation of the pipeline, individually or in combination with other plans or projects is likely to have a significant effect on any European site, to the Minister during the period commencing on the 25th of August 2015 and ending at close of business on the 25th September 2015. Submissions should be addressed to the Department of Communications, Energy and Natural Resources, 29-31 Adelaide Road, Dublin 2.
