Dear [Name],

I refer to your request which was received by this office on 15/04/2015 which you have made under the Freedom of Information Act 2014 for records held by this FOI body. Your request sought:

Correspondence to and from the Department in relation to the National Lottery - to include communications made between October 2013 and now.

The decision maker handling your request is Ms Geraldine Luddy, Finance and Corporate Affairs Division, Department of Communications, Energy and Natural Resources, 29-31 Adelaide Road, Dublin 2 and they can be contacted at 01 6782276. A final decision on your request would normally be sent to you within 4 weeks, where a week is defined as 5 working days excluding the weekend and public holidays. This means that you can expect a decision letter to issue not later than 14/05/2015.

There are some limited situations under the FOI Act which could mean that the period for a final decision may be longer than this 4 week period. If this occurs in the case of your request, you will be advised promptly in writing setting out the reason and the new decision date.

Should our final decision not reach you on time, please feel free to contact the decision maker named above to discuss any problems that may have arisen. If you have not heard from us once the allotted time has expired, you are automatically entitled to appeal for a review of the matter. This review proceeds on the legal basis that the initial request is considered to be refused once the specified time for responding to it has expired. The review is a full and new examination of the matter carried out by a more senior member of staff.

In the event that you need to request such a review, you can do so by writing to FOI Unit, Department of Communications, Energy and Natural Resources, Elm House, Earlsvale Rd, Cavan. Co Cavan or alternatively by sending an e-mail to FOI.UNIT@decr.gov.ie. You should state that you are seeking this review because an initial decision was not sent to you within the time allowed for a response. In that event, you would normally have 4 weeks (after the initial decision should have been sent to you) in which to make the appeal. Consideration will be given to late applications in appropriate circumstances.

Please note the Department of Communications, Energy & Natural Resources has a policy of posting a summary of all non-personal requests and decisions on the Departments website.

Yours sincerely,

Carmel Conaty

Dear Sirs

Transfer of Shares to Premier Lotteries Ireland Limited

Pursuant to Article 27.3 of the articles of association of the Company (the "Articles"), we hereby give you notice that:

1. Premier Lotteries Ireland Limited (the "Permitted Transferee") wishes to become a shareholder in the Company; and

2. We intend to transfer [blanked] Fixed Share Capital Shares and [blanked] Variable Share Capital Shares in the capital of the Company (the "Shares") to the Permitted Transferee on [date] (the "Transfer").

Terms and conditions of the Transfer

Pursuant to a deed of transfer between An Post National Lottery Company ("APNLC") and the Permitted Transferee dated 27 February 2014, APNLC covenanted with and confirmed to the Permitted Transferee that, in preparation for execution of the National Lottery Licence to be issued by the Minister for Public Expenditure to the Permitted Transferee under the National Lottery Act 2013 (the "Licence"), APNLC would execute the necessary documentation to transfer the Shares.

The transfer will be for nominal consideration.

Pursuant to the Articles, for the Transfer to be valid:

1. The Permitted Transferee must deliver to the Company sufficient evidence as the directors of the Company (the "Board") may reasonably require to be satisfied that the Permitted Transferee satisfies the membership criteria referred to in Article 28.5 of the Articles (the "Membership Criteria");

2. The Permitted Transferee must enter into a deed of adherence in the form required by the Board;

30208451.1
3. APNLC must give notice in writing to the board stating that the Permitted Transferee wishes to become a shareholder in the Company and the envisaged terms and conditions of the Transfer; and

4. The consent of 75% of the votes of all the directors of the Company participating at the relevant meeting and the consent of each of the Founding Directors (as defined in the Articles) approving the Transfer must be obtained.

In assessing whether the Permitted Transferee satisfies the Membership Criteria, the Company has circulated a briefing document to EUMIL workgroups and the Management Committee in an effort to objectivise the process whereby the Permitted Transferee would be audited against the Membership Criteria, which is annexed hereto at Annex 1 (the “Briefing Document”).

The Permitted Transferee has produced the documents annexed hereto at Annex 2 in response to the Briefing Document.

Yours faithfully
